My dear Sir -

We hear that you are likely to
embark from Liverpool next Saturday -
and I take the liberty of writing to you
to say - that it will be a great pleasure
to my wife & myself - if you would
spend Friday evening at my house -
My wife (who was then Miss Ryley)
remembers you being at her father's
house 34 years ago -

If you are able to favour us with your
company - we shall be glad if you will
take a family dinner with us at
5 o'clock & we will ask a few Anti-

Many friends to meet you in the
evening—

a reply at your earliest convenience
with much oblige—

Yours very truly

W-Crosfield
